HOW THE SENTRICON® SYSTEM WORKS

1 INSPECT

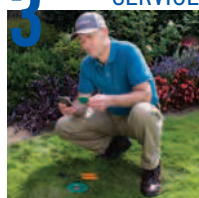

We check your property for signs of termites.

2 INSTALL

We place Sentricon stations containing Recruit® HD termite bait around your property.

3 SERVICE

We routinely inspect your stations for termite activity and to ensure they are working properly.

Only the industry's best are selected to install and service the Sentricon® system. As Certified Sentricon Specialists™, we undergo extensive training and utilize state-of-the-art data management tools to ensure your home is properly inspected and protected.

**Your home is most likely your most expensive investment.
KEEP IT PROTECTED YEAR-ROUND WITH THE SENTRICON SYSTEM**
